

Sloan Showroom to Host Third Annual Open Houses During Fulton Market Design Days

New products and innovations will be on display, along with previews of upcoming launches

FRANKLIN PARK, IL (June 4, 2025) – [Sloan](#), the world’s leading manufacturer of commercial plumbing systems, will be hosting Open House events at its Chicago showroom as part of Fulton Market Design Days from June 9-11.

Sloan’s showroom will feature a range of new products, sustainability and wellness initiatives, and interactive displays, including:

- **DropSpot™ Bottle Fillers and Water Coolers** with total PFAS certification for clean drinking water.
- **Sloan LED Mirrors** available in five styles **and Frame LED Mirrors** available in three styles and three standard finishes. Custom offerings include matching PVD finishes, expanded sizes, unique shapes, LED temperature ranges, and more.
- **SloanStone® Quartz Sinks** with molded decks that feature a seamless, non-porous construction, making for an extremely scratch- and stain-resistant, hygienic, and easy-to-maintain surface.

Additionally, Sloan will preview two of its upcoming product innovations that are scheduled to debut later this summer. Brushed Brass finish options will be on display with applications for faucets, soap dispensers, deck mounted hand dryers, and flushometers.

Sloan will also be previewing its FLITE-DEC three-in-one sink system designed for high-traffic environments with basin mounted fixtures for enhanced hygiene and style, as well as a bulk closed soap system with easy access with or without a chase.

Guests are invited to attend June 9-10 from 9 a.m. to 6 p.m. and June 11 from 9 a.m. to noon. Sloan will host a cocktail party on June 10 from 3 to 6 p.m., where guests can meet players from the National Women’s Soccer League’s (NWSL) Chicago Stars and enjoy a live performance by John Vincent, the Chicago Cubs’ National Anthem Singer.

Sloan’s Chicago Fulton Market District flagship showroom and office space was recognized last year as the world’s first commercial plumbing showroom to be both LEED and WELL certified.

“At Sloan, we are proud to put our Chicago showroom on display as a model of sustainability and product innovation,” said Scott McClelland, Vice President, Marketing and Product Management, Sloan. “We’re happy to take part in Design Days once again this year to welcome guests back to the showroom to learn more about all the exciting innovations we have to offer, as well as what to expect in the months to come.”

Now in its third year, Fulton Market Design Days features over 40 showrooms exhibiting some of the latest innovations across the A&D landscape.
